Alliance Chair Cr Michael Gobel responds to appointment of Susan Delroi as Chief Executive Officer of Albury Wodonga Health, calls for pause to redevelopment project

"On behalf of the Alliance of Councils for Albury Wodonga Region Health Services, I congratulate Susan Delroi on her appointment and look forward to working together in pursuit of the healthcare outcomes our region deserves.

"We believe we share the same goal; a hospital that meets current demand, accommodates future population growth and provides the level of care our communities need and expect.

"To achieve this, we are once again calling for a pause to the current redevelopment and a return to the 2021 AWH Master Plan, which provides a pathway to deliver modern, adaptable infrastructure, sufficient bed capacity to reduce wait times and a hospital that reflects our region's role as a major inland precinct.

"We have extended an invite to Ms Delroi to meet with the Alliance once she has commenced in her role in July, where we look forward to discussing our position and exploring how we can work together.
